

For quality reasons, it is recommended we collect the information below.

HIPPA RELEASE

If you would like to give another person permission to access your HIPPA protected medical information [call for your biopsy results, discuss your treatment with our staff, etc] print their name and indicate their relationship to you in the space below.

Print Name: _____

Relationship to You: _____

Alcohol Use

How many times in the past year have you had 5 (for men) or 4 (for women) or more drinks in a day? _

Influenza Vaccine

Check the one **that best fits**:

- Received a flu vaccine this flu season.
- Did not receive a flu vaccine this flu season.

Pneumococcal Vaccine

Check the one **that best fits**:

- Received a pneumococcal vaccine (Pneumovax).
- Did not receive a pneumococcal vaccine.

Advanced Directives

Advanced directives are designed to respect your autonomy and determine your wishes about future life-sustaining medical treatment if you are unable to indicate your wishes about future life-sustaining medical treatment if you are unable to indicate your wishes. Key interventions and treatment decisions are: resuscitation procedures such as Cardiopulmonary Resuscitation (CPR) and mechanical respiration (breathing tube).

Which statement(s) **best reflect** your wishes on advanced care recommendations?

- I want full cardiopulmonary resuscitation efforts to be made (Full Code).
- I do not wish to have a breathing tube, even if it is necessary to save my life (Do Not Intubate).
- If my heart were to stop, I do not wish to have chest compressions or an automated external defibrillator to restart my heart, even if it is necessary to save my life (Do Not Resuscitate).
- I have a living will.
- I have a health care proxy whose name is _____, and contact information is _____.

Pharmacy Release

Cherry Creek Dermatology PC may access my prescription claim and fill information online. [This helps us know what prescriptions have been filled at the pharmacy.]
