

PATIENT WAIVER AGREEMENT

Cherry Creek Dermatology, PC requires patients to provide current health insurance cards at each scheduled visit.

Patients who have insurance coverage which requires a referral before being seen must have a referral in place before they are seen at Cherry Creek Dermatology, PC.

If you are unable to provide a current insurance card or a valid referral for today's appointment, you may re-schedule your appointment for a time when this documentation is available. Alternatively, you may choose to circumvent your insurance plan and be seen today. By signing below you agree to pay in full for today's healthcare services. Please be aware that you may also receive a separate bill for any lab or blood work ordered.

If documentation of insurance and/or a valid referral is obtained after today's visit, Cherry Creek Dermatology, PC will be happy to file with your insurance plan. If the invoices are processed and payments received from your insurance plan which results in a credit balance, Cherry Creek Dermatology, PC will be happy to refund to you any resulting overpayment.

By signing this waiver I understand that I will be fully responsible for today's charges.
